

# Carpet Shampoo

A Breakthrough in  
“Green Cleaning Technology”

Nature’s Toughest Cleaner

**ENZYME SOLUTIONS**  
INCORPORATED

## PRODUCT DESCRIPTION

*Carpet Shampoo* is an all natural, multi-enzyme formula designed to attack and loosen tough stains and dirt.

*Carpet Shampoo* works to destroy the mess, not just push the soil around with soap and water.

*Carpet Shampoo* restores and brightens carpeting.

*Carpet Shampoo* is superior for automatic equipment.

## Directions for Automatic Equipment:

*Concentrate* - dilute six (6) ounces of  
for each gallon of water

*Super Concentrate* - dilute two (2) ounces of  
for each gallon of water

## ADVANTAGES

*Carpet Shampoo*

- **Cleans** - the toughest spots and stains. Food stains, grease, dirt and clay, pet stains, coffee, and grass stains are completely eliminated.
- **Protects** - against dirt and grease stains, while leaving carpet soft and plush
- **Deodorizes** - by penetrating deep into the carpet and working to destroy the organic matter causing the odor. Does not mask odor;  
**Carpet Shampoo** destroys the source!

## RECOMMENED USES:

- Commercial Buildings
- Schools
- Restaurants
- Residential

## TECHNICAL DATA:

- pH neutral & non-toxic
- 100 % biodegradable
- Non-flammable
- Non-Caustic
- Contains no harsh chemicals

## PRODUCT

Concentrate  
Super Concentrate

## DILUTION

1:21  
1:64

## MANUFACTURES DATA AND SAFETY REQUIREMENTS

Specific Gravity	1.003	Safety Equipment and Clothing	None
Boiling Temperature	108 <sup>0</sup> C	Disposal Guidelines	Common Drains
Storage Temperature	10-70 <sup>0</sup> C	Flash Point	None
